## HOURLY CONSULTING

We've done most and seen a lot. Need a little advice and expertise on where to begin? We've got your back! Whether you need a little assistance on venue research, or a few recommendations on vendors, we can assist with our hourly consulting package. It's the perfect option for the couple that knows exactly what they need, but wants a nudge in the right direction. Our hourly consulting can also help those couples that live in Nashville and are getting married elsewhere. It gives a little piece of mind to have an in-town advocate!

1,300+ weddings

90+ corporate events

425+ social events

Over 29,500 guests served

"I am so glad I found Classic Wedding Designs for my dad's *100th* birthday. We had a last minute change of venue, and Aundrea and her team just rolled with it. Their decorations were perfect, and all of the guests raved about the food. I would absolutely recommend Aundrea to anyone looking for professionalism and quality."

- Wanda Harrison, January 2021
